---

I understand that by declaring the classes that I am interested in competing in does not guarantee me a spot on the World Show team nor does it require that I attend the AQHYA World show in the event that I qualify. The amount of the declaration is \$50.00 payable to the OQHYA. This amount off-sets the previous qualifying class fees. Deadline for form is March 1. All qualifying rules are listed in the OQHA directory under the youth by-laws.

I also agree that if I qualify for the OQHYA World Show team, I will participate in the following activities:

Participate in eighty (80) percent of the OQHYA World Show meetings

Participate in all youth world show team activities (parade of states, stall decorating, team photo, etc) at the AQHYA World Show.

Failure to comply with the requirements could result in the youth not being allowed to compete at the AQHYA show or receive funds from the OQHYA at the desecration of the Youth Advisor and the OQHA Board of Directors.
