

Questions for the Amateur Newsletter spotlight.

Your name _____

Your Horse's name _____

What division do you show in? Amateur or Select Amateur or Both. _____

1. Tell us about when you became interested in horses and started showing AQHA and a little back ground about yourself and your horse. Who do you take lessons from and what makes them a great coach or are you on your own? How often do you ride and practice? What is your favorite event? How did you find your horse and what made you know he would be a good match?

2. Tell us about your boy's or gal's personality and funny or interesting things he/she does. A little insight into your horse. Tell us anything that he/she has done at a show or at home that displays his personality.

3. If he was not a horse what would he/she be? Sorry I always think of geldings but some of you have mares so... don't want to just refer to your horse as a boy. For instance my sister's daughter s mare would defiantly be a princess. She is so funny and loves to be groomed and acts like she is dying over the smallest things. She has a very theatrical personality and a total pre-Madonna. So I would love to hear about your guy/gal. Also tell us, what is his/her barn name? What are his/her favorite treats? What about him makes him/her fun and special to you?

4. Tell us about the Show you enjoyed the most and why. Was it the thrill of winning or the overall experience? How was the trip? What are the facilities like? What made showing at the Regional show, the Summer Classic or one of our OQHA shows or heck, another state's show so fun and would you recommend others attend?

5. What was your best experience showing last season and what are your goals for the future?
