

Hello;

I am very honored and pleased to serve as the 2010 OQHYA President, it has been a goal of mine since I was very young and just coming into the organization. As president a few of my goals consist of increasing our membership numbers, increasing the number of fundraisers held, helping our youth organization as much as I possibly can and most of all having fun and making memories that last a life time.

I started in the horse world doing junior rodeos and fun events, I started showing in quarter horse shows when I was ten, and I was scared of many things and most of all trying something new. I don't want other youth feeling that they need to be scared. I am the kind of person the win or lose as long as you're having fun nothing can stop you. I want to help our organization feel as a family and I would like to help anyone new coming into the horse show world. I am open to helping everyone and anyone. I am usually helping somehow around the horse show where ever the help is needed; you will never see me resting. If you need help or want someone to show you around I would be more than happy. I hope everyone has a happy and successful 2010 show season and I will see you at the shows.

Thank you;

Kendra Silveira

2010 OQHYA President
